What cities do:

- Essential services - water, sewer, gas, electric, etc.
- Transportation & Transit
- Clean Environment & Drinking Water
- Energy (electric, natural gas, solar)
- Public Safety
- Safe Buildings
- Quality of Life
- Community Building
- Justice
- Stable & Thriving Economy
- Land Use/Zoning/Permitting
- Balance the Budget

What cities don't do:

- Anything not delegated by the State or US Constitution (or prohibited otherwise)
- County statutory requirements (voting, public health, superior court)
- Determine business selection, investment, and location
- Undermine property rights
- Make all the laws

Washington Sunshine Laws - Transparency

- **Open Public Meetings Act**

- Published announcements, 24-hours in advance (except emergencies)
- Must be open to the public
- Meeting records (minutes, some recordings)
- Hybrid participation (generally)

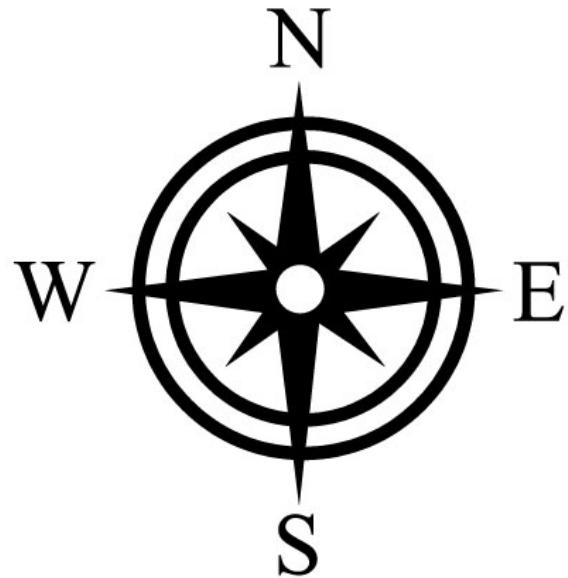

- **Public Records Act**

- Requires that all public records maintained by state and local agencies be made available to all members of the public, with very narrow statutory exemptions
- Public record is defined in RCW 42.56.010(3) as any writing that is prepared, owned, used, or retained by any state or local government agency, and which contains information that relates to the conduct of government, or the performance of any governmental or proprietary function

City Council Actions

- **Ordinances** are the highest level of official City action. It is the only means by which laws can be created and budgets adopted. Ordinances require two readings prior to Council action.
- **Resolutions** are the official way of expressing the decision of the Council in terms of policy, approval, acceptance, or giving authority. Resolutions express council policy or direct administrative actions.
- **Proclamations** have no substantive power other than to express the will of the Mayor and are primarily ceremonial. Proclamations may be issued by the Mayor without limitation.
- **Ellensburg Code City (ECC)**
 - Ordinances are “codified” into local laws

Safe and Inclusive Community

- Ellensburg Police Department (EPD) added resources to police investigations and administration to address strategic public safety needs. EPD produced an annual report available online.

Ellensburg INSIDER
City Annual Report 2021

Working Toward A Strategic Vision

In the fall of 2021, the Ellensburg City Council developed a shared vision for the future built on strategic priorities. The City Council's Strategic Vision 2022-2027 represents the most important issues facing the City of Ellensburg and establishes precedence for expenditure of staff and other City resources. In addition to providing essential public services, the vision includes:

- Sustainable Energy
- Sustainable Infrastructure
- Economic Development
- Affordable Housing
- Safe and Inclusive Community

These priorities were further refined in 2022. To learn more, ellensburgwa.gov/strategicvision

Sustainable Infrastructure

The City adopted a Housing Action Plan in 2021 with strategies to create more housing, different types of housing, and more affordable housing stock. The City was awarded an additional \$75,000 Department of Commerce grant to implement the priority strategies in 2022.

- Funds from the Federal American Rescue Plan Act (ARPA) were allocated to projects that directly benefit the community: Utility Park design and construction, Anderson Road Sewer Extension, a construction project manager, and gateway signage to improve the first impression entering the City.
- Adopted FEMA flood regulations to retain compliance with the National Flood Insurance Program.
- Parke partnership grants funded West Ellensburg Park field improvements, Ellensburg Explorer/Exploradores de Ellensburg nature day camps (KEEN), and Rucker Creek floodplain interpretive signs.

Affordable Housing

The City adopted a Housing Action Plan in 2021 with strategies to create more housing, different types of housing, and more affordable housing stock. The City was awarded an additional \$75,000 Department of Commerce grant to implement the priority strategies in 2022.

- House A house and accessory dwelling on Brewster Street.
- Main Street Signification
- Central Business District Alley (3rd & 4th, Main to Water) reconstruction
- Bridge Load Ratings Update
- North Campus Signal at 14th Avenue and Wildcat Way

Significant Projects Completed:

- Main Street Signification
- Central Business District Alley (3rd & 4th, Main to Water) reconstruction
- Bridge Load Ratings Update
- North Campus Signal at 14th Avenue and Wildcat Way

Stuart Measuring project is a partnership for Humanity to build 10 units of affordable housing at Water Street and Blinder Road. The property contribution and affordable housing tax funding. The project will break ground in 2023. The City approved surplus of property and Pine Street for future affordable housing.

In addition to the Measuring project, preventing homelessness in our community, City and County leadership recently created an Ad Hoc Committee on Homelessness to work through strategies to address the challenges. They are working to identify service gaps, including 1) to provide housing with wrap-around services for those with chronic issues and 2) a year-round shelter.

Economic Development

- To facilitate economic growth, the City partnered with Kittitas County to create a County-wide economic development strategic plan with some specific actions for Ellensburg. Industry centered groups (real estate, agriculture, small business, transportation, manufacturing, technology, etc.) have been included in planning to identify priorities to enhance quality of life and a robust local economy as the community grows. Funding was provided by the City of Ellensburg to initiate earlier in the year.
- The Arts Commission (from the City's arts fund) distributed \$15,700 in public grants, purchased five pieces for the City's collection, commissioned one social equity piece, revitalized First Friday Art Walk, and funded the Art Walk audio tour.
- Lodging Tax grants to support community events totaled \$46,000.
- Lodging Tax grants to support community events totaled \$46,000.

Upcoming Projects

Major infrastructure projects scheduled for 2022:

- Two trail sections to create better connectivity: Palouse to Cascades (PTC) reconnection from Dean Nicholson Blvd. to University Way and a shared use path along Plenning Road from Third Ave. to the PTC Trail.
- Improvements along Helens Ave. from Water St. to Airport Lane are nearly complete and include new sidewalks, fire hydrants, Central Transit bus shelter, and bicycle lanes.
- Utility Park master planning is underway with construction in 2023.
- City artery improvements at Gateway I and II project to proceed along University Way and Vantage Highway to enhance the area. Site stormwater runoff, and add sidewalks and street trees.
- University Avenue/Rosario Creek and Fifth Avenue/ Railroad will get new signals.
- Installation of field lights at Rotary Park youth baseball/softball complex.
